About Me

My strengths lie in unique problem solving skills and an eye for effective designs. I'm experienced with brand identities, structured infographics, and advertising design; I have also designing clothing, editorial magazine spreads, and rebranded logos.

Skills

Full time aide for Art & Design, Photography, and Fashion classes helping students develop both professional and creative skills.

Exemplified excellent time management completing clerical work for classes week to week while problem solving with students.

Adaptability, Patience, Creativity

Learned professional communication skills through leading a team of 11 e-board members to produce an editorial magazine and spring fashion show

Sharpened creative skills such as sewing, layout design, photography, and creative writing through being an efficient and adaptable director.

Multi-Tasking, Leadership, Time Management

Worked within the marketing team to make clean branded visuals and promotional materials consistent with Binghamton University's style guide.

Collaborated with other sectors within the Fleishman Career Center to rebrand logos, produce promotional materials, and bolster outreach to the student body.

Professionalism, Objectivity, Organization
